

The diagram consists of two side-by-side panels. The left panel, titled "Location of County within State", shows a map of Oregon divided into counties. One county in the southern part of the state is highlighted in orange. The right panel, titled "Sheet Location within Entity", shows a yellow rectangular area representing the entity. A smaller blue-outlined rectangle is positioned in the top-left corner of the yellow area, representing the sheet's location within the entity.

All legal boundaries and names are as of January 1, 2010. The boundaries shown on this map are for Census Bureau statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights of ownership or entitlement.
